

The Russian brewing competition «ROSGLAVPIVO» was initiated by Barley, Malt, Hops and Beer Union and was organized in cooperation with Private Brauereien Deutschland e.V., an organizer of one of the most prestigious world competitions «European Beer Star».

Over the last 6 years, the development of the Russian brewing industry, having led to opening of hundreds of new brewing productions with thousands of various beers, made necessity to create an independent expert organization – International Expert Jury of the competition «ROSGLAVPIVO» uniting highly experienced representatives from different countries.

Dear Russian and foreign brewers, organizers warmly invite you to take part in the competition «ROSGLAVPIVO» - the Best Russian Beer.
